## AN UNSERE LESER

04.05.2018

in einigen Wochen werden wir unsere Websites [www.elcor-international.org](http://www.elcor-international.org) und [www.eyes-of-europe.org](http://www.eyes-of-europe.org) schließen, da das Gesamtwerk Eyes of Europe übernommen wird.

Die Artikel-Serie auf der bisherigen Website von [www.Elcor-international.org/commentaries](http://www.Elcor-international.org/commentaries) wird in einem neuen Format von uns weitergeführt.

Für die zahlreichen Rückmeldungen zu unseren Artikeln / Essays / Analysen etc. möchten wir uns an dieser Stelle herzlich bei Ihnen bedanken - Ihre Meinungen und weiterführenden Ideen haben uns darin bestätigt, mit Eyes of Europe ein variables Instrument entwickelt zu haben, das ein EU-Europa auf seinem Weg in die notwendig gewordene Grund-Erneuerung unterstützend begleiten kann. ([Siehe Anhang.](#))

Wir freuen uns auf eine neue - sachlich-kritische - Dauer-Debatte mit unseren Lesern.

Mit herzlichen Grüßen,  
EYES OF EUROPE  
Redaktion

## TO OUR FOLLOWERS

May, 4<sup>th</sup> 2018

In a few weeks we will close our Websites [www.elcor-international.org](http://www.elcor-international.org) and [www.eyes-of-europe.org](http://www.eyes-of-europe.org), as the "complete works" *Eyes of Europe* gets taken over.

The redaction of articles published until now on the Website [www.Elcor-international.org/commentaries](http://www.Elcor-international.org/commentaries) will be continued in a new format.

We are most grateful for your numerous feedbacks, critiques, opinions and conducive ideas received via emails. All these exchanges with you, have confirmed, that Eyes of Europe is a variable instrument, which can push and support the official EU-Europe on its way into an overdue renewal of its structures. ([See attached file, please](#))

We are looking forward to a new factual and critical permanent-debate with you.

With best regards,

Internal message

Dear Colleagues,

I would like to draw your attention to an extensive programme that should be of interest for EU education and culture policies

The Program is called "Eyes of Europe" - [www.eyes-of-europe.org](http://www.eyes-of-europe.org)

It is an [auto-active Pan-European education platform](#), which promotes and accelerates the European integration through education and intercultural co-operation, technical provided by European telecom-network-services.

The program was developed by an international team of specialists during many years of intensive work and dedication.

Currently 'Eyes of Europe' is a complete "ready for implementation" instrument, which could contribute to master various of our major current challenges
